

Chapter one - no Amer. investigation -

no ill news back of poor CCI files!

Not even under procedure of any kind

Week's effort investigation in the "Big" "Big" "Big"

Made it to visit for in Bushy!

Capitol "Richie" the first time that he

investigate about the murder

Note - Gregory then original work memo-

to "FBI" FBI published - 5 of the

has 2 copies, etc

What I got from CCI files appears to be news stories
not relevant to the situation - like chapters of
testimony from long. committees about House & the
FBI & not about the case

Monteigh, testimony must be to be taken
as it is nothing but with crime.
Through P-3 testimony, investigation, nothing
new.

LD-99-11 readers - Fred still had the key
 just as Robert W. says. Case is 2 different ones
 the names pronounced with different LD's account

161 Evidence not by word as

107. *My. murex*, no. 168-170, impl. test ed.

102 In Woods, Kentucky

103 Jones & Smith, Inc. memo 322 - no price

105 3/29 Enm. Int. Jv. - 1st - all pithed as last
normal bark

original book
106H He actually says King David's & Solomon's
Temple. Buried in a place to the N. of the
Sea. That the original temple - built

This has FBI made in hull sing

107 - This part of the manuscript is very interesting. It is a list of names of people who were in the room - and it is very interesting to see how many of them were in the room at the same time. It is a very good example of a list of names of people who were in the room at the same time.

100 bags May, but had to wait 50 days for it to be
- 10000 at sea 300 FBT memo!

110 Different version of protection - the H.C. by Nelson
with various methods of not they considered only
\$50,000.

121 - quarry's account of time spent at
house or home level

124- Mark's "The Murder" - Pt 5

Here, to study the police the next day only
"Womans Reading"

Kyle's wife in Rickett's planning & that is what
there was for the - in house!

126 Why Mann mentioned on 126 but not what felt

128 Cap shot for pleasure & in the Museum it is
it included not to see life. I only think
prisoner have eyes?

129 This goes into his "Wandering" & put the
light of his "Wandering" - the world he has known

Rickett was "in charge of that many things"

130 In this account Rickett would have been to the point, "a
to look men, when "I would say to cut off any thing in
point" When should say to be report, the woman's heart?

In all two steps in action Rickett had been there.
This account he Rickett as a whole of the thing

She was out

131 But then was not what was 12 or 13 in 4/6

Fanciful account what Rickett would have done to
find out what

Why Rickett became the - 12 or 13, why to 12

132 Rickett's story to him (not 12)

134-5 Interviews from - one thing & her testimony on
some point!

135 Builds up to "stripping of security" with
 assertion of punishment for not using plane.
 Any investigation would have shown
 officer did it. From this account you
 would not know how the 3TAC was there.

Says by abuse of authority a question that
 all this looks like a simple escape.
 But to King is killed, this looks supposed to
 be about his murder, & there is no account
 of the killing - merely assumption of official
 account (in 135 is)

136- further that matter about the question of them -
 - says, from the indicated source
 that he has been again jumped by the
 media at least 3 times. Further he is not
 happy in prison life?

136- "We keep FBI investigation" It is limited
 out of Atlanta after a day or two" (also in
 Atlanta - on this blue in M.F. 1000) says they
 are "on the go" - "being spread"

137- "On the go" - "being spread"
 Quotes must say that "on the go" - "being spread"
 139- Lane's letter. Says he will not
 Lane says "I am not interested in the
 end." He is interested in the project.

5

141-2

I am fully aware of Rabbit's story & get
after him to make him look like a fool of
first the teller (I know who was in charge
Rabbit was at)

143- quote to make it look like he was there
him a discredited man to Rabbit "let's"

his inquiry of last service presented a Rabbit's
to me 147 - no account of him. This is made
with a fanciful account of where & why he
used to ~~be~~ pretend that he was
just as well "back to work" but would
never be a shot from the future because
of "concern" they make
